Patient Instructions for Form 7.31

Limited Patient Authorization for Disclosure of Protected Health Information

This form will give our office the authority to provide your protected health information (PHI) to the person or entity designated on the form. The Limited Patient Authorization limits us to disclose only the information that you designate and does not give any other rights to the person you have named on the form.

The following outline will describe the information we will need on the form and its purpose. Please address any questions you have with our staff.

Patient Name - Print your name.

Date of Birth - This information is needed for identity verification and will be maintained in a confidential manner at all times.

Entity Requested to Release information - This simply identifies who is to provide the information (i.e., our practice).

Who will be authorized to receive information – Enter the name, address and phone number of the individual or entity that you are designating to receive the disclosure. If you would like your PHI faxed or emailed to the recipient, please provide the fax number or email address that you would like us to use, and review the note on the form regarding Secure Communication.

Description of Information to be disclosed - The type and amount of health information that we disclose is determined by you. We can disclose or provide access to all of your health information, or it can be limited to a specific item.

Purpose of Disclosure – Check Patient Request if you are initiating the authorization. Otherwise, the purpose should be stated for you.

Expiration or Termination - This authorization will expire a year from the date in which it was signed unless you specify an earlier termination. The authorization would need to be renewed each year as a means of protecting your information by verifying your wish to continue the authorization.

Right to Revoke or Terminate - You may revoke or terminate the authorization at any time by submitting written notice to our Privacy Manager.

Non-Conditioning Statement - This simply states that our practice does not place conditions for treatment on completion of this authorization form.

Redisclosure Statement - We cannot be responsible for what the receiving entity does with your health information that we provide under this authorization. The redisclosure statement simply informs you of this situation.

Signature and Date - We will need your signature and date of the signature to make the authorization effective.

Copies - We will provide you with a copy of this signed authorization upon request.
